RID ID	PDR	275
Review	CSMS	
Originator Ref	IVV-TRT-011	
Priority	2	

Category Name Requirements

Actionee HAIS

Sub Category

Subject Interface Requirements Mapping By Release

Description of Problem or Suggestion:

It is not clear which interface requirements (e.g., MSS subsystem to external system) apply to IR1 and which apply to the TRMM Release (see page 5-2 through 5-5).

Originator's Recommendation

Allocate interface requirements to release, coordinating concurrence on both sides of the interface. This uniquely identifies which interfaces apply to IR1 and the TRMM Release, respectively.
